52-Story Ritz Carlton In Sunny Isles Breaks Ground Next Month

By: Staff

Construction is about to begin another 649-foot tower in Sunny Isles.

Chateau Group and Fortune International will break ground in June on the 212-unit Ritz Carlton Residences tower in Sunny Isles Beach, they told the Herald.

Over 65 percent of units have been sold, including a \$16.5 million penthouse that was just sold, and a \$21 million penthouse sold in December.

Completion is scheduled for 2018.
